

HOME VISITING JOURNEY

Enrollment

Self-referral

OR

Someone makes the referral for you

A referral could come from:

- 211/Help Me Grow (HMG)
- Home Visiting Community Health Worker (HV CHW)
- Health care provider or your child's pediatrician
- Other community organization/partner

1

Referral

The referral will be sent to the most appropriate program to support your family's individual needs.

Delaware has four evidence-based home visiting models:

- Early Head Start (EHS)
- Healthy Families Delaware (HFD)
- Nurse-Family Partnership (NFP)
- Parents as Teachers (PAT)

2

Enrollment

What to expect while working with a Family Support Specialist:

✓ Visits

✓ Activities

✓ Support

✓ Education

✓ Resource sharing

✓ And more

3

Participation

Connections

4

Based on your needs, your Family Support Specialist may refer you to another community partner for resources.

Partners include Community Health Worker Agencies, 211/Help Me Grow, and others.
