

HOW TO REFER A FAMILY FOR SUPPORT FROM A COMMUNITY HEALTH WORKER

Community Health Workers (CHWs) help connect families with the help they need. It's a quick and easy process.

CHOOSE A REFERRAL METHOD

ONLINE

Direct the family that needs support to the DE Thrives website. From there, they can find referral resources.

BY PHONE

Call Quality Insights Delaware: 1-800-642-8686 ext. 2122.

REFERRAL SURVEY

Direct families straight to a referral survey. This assessment will help us develop a customized community resource list and program.
