

DELAWARE FAMILY SUPPORT SPECIALIST

Resource Toolkit

Your Complete Guide to Essential Resources and Tools

GET STARTED WITH THE DELAWARE FAMILY SUPPORT HUB APP

Skip the search. Get instant access to everything you need.

This toolkit contains dozens of valuable resources, but here's the reality: you're busy, you're on the go, and you need information fast. The Delaware Family Support Hub app puts every single resource listed in this toolkit right at your fingertips. Whether you're in a family's home, driving between visits, or working from your office.

Instead of bookmarking websites, saving PDFs to your computer, or carrying printed materials, the app gives you instant access to everything you need, exactly when you need it.

Think of this toolkit as your comprehensive reference guide, and the app as your portable, always-available version of the same resources.

WHY CHOOSE THE APP

Instant Access

All PDFs, links, and resources from this toolkit are available in seconds.

Always With You

Access on your phone, tablet, or computer. Wherever you are.

Real-Time Updates

Resources are automatically updated, so you always have the latest information.

Share on the Spot

Send resources directly to families during visits via email.

Connect with Colleagues

Message other FSS for advice and support.

Offline Capability

Download important resources when WiFi isn't available.

GET THE APP

Download: Apple App Store (iPhone) or Google Play (Android)

Web Access: defamilysupporthub.org

The choice is yours: Use this toolkit as your comprehensive reference guide, or let the app bring all these resources to you wherever your work takes you.

RESOURCE GUIDE

1. MIECHV PROGRAM FOUNDATION

Use this section when you need to:

- ♥ Explain the home visiting program to families or community partners
- ♥ Understand program goals and requirements
- ♥ Access current data to demonstrate program effectiveness
- ♥ Answer questions about MIECHV benchmarks and outcomes

[Delaware MIECHV Program FY 2023](#)

Comprehensive overview of Delaware's MIECHV program structure, goals, and services.

[MIECHV Benchmarks Document](#)

Detailed explanation of the six benchmark areas that guide program effectiveness.

[Maternal, Infant, and Early Childhood Home Visiting Infographic](#)

Visual summary of MIECHV program benefits and impact nationwide.

2. EVIDENCE-BASED HOME VISITING MODELS

Use this section when you need to:

- ♥ Understand the different home visiting approaches available in Delaware
- ♥ Make referrals to other programs that might better fit a family's needs
- ♥ Explain to families why evidence-based models are important

[Home Visiting Evidence of Effectiveness \(HomVEE\) Q&A](#)

Understanding how home visiting models are evaluated for effectiveness.

[Home Visiting Model Search](#)

A comprehensive database to explore different evidence-based models.

[Children & Families First - HFA](#)

Information about Healthy Families America program implementation.

HOW TO USE THIS TOOLKIT EFFECTIVELY

TIPS FOR SUCCESS

Bookmark the Delaware Family Support Hub App

It's your most valuable tool for quick access to resources during home visits.

Download Offline Resources

Save important PDFs to your device for times when WiFi isn't available.

Connect with Colleagues

Use the app's messaging feature to share experiences and get advice from other FSS.

Plan Your Professional Development

Review the training resources regularly to stay current and build your skills.

Think Family-Centered

Always consider how these resources can directly benefit the families you serve.

Learning Management System

Make sure you've completed our on-demand FSS. Visit familyhealthsystemsde.org to register and access the training modules.
